

What Will MAs Learn?

- Types of variation – random and non-random – that can be seen in run charts
- Anatomy, analysis and interpretation of run charts using data from a primary care setting

Cost & Model

- \$40 (\$20/hour of content)
- 2 hours of content completed
- Participants receive a certificate of completion that can be used for re-certification
- For registration information, contact:
Lori Nichols at lori.nichols@nimaa.edu
